

BACKED BY SUPERCHARGE TECHNOLOGY,
COX INDUSTRIES IS PROUD TO LAUNCH THE
COX BATTERY!

★ SUPERCHARGE YOUR COX MOWER

**ADDING MORE
GRUNT TO YOUR
COX MOWER**

BATTERY SPECIFICATIONS:

Product Code:
AM109

Volts:..... **12**
CCA:..... **360**
RC:..... **45**

Dimensions (mm)
Length..... **196**
Width..... **128**
Height..... **184**

THE TECHNOLOGY

- Superior battery grid strength
- Greater resistance to corrosion, heat & overcharging
- Minimal gassing & water usage
- True Maintenance-Free Battery

AND ITS BENEFITS

- A rugged battery with superior cranking & reserve capacity
- Longer useful life in extreme conditions or on the shelf
- Fully sealed cover for safety & protection from dirt and dust
- No mess, No Fuss!
